our blessed rasool (saw) went through so much so i thought why  
nt put a few facts in poems  
THE PROPHET(SAW)  
A man like him u wil neva find

Sent as a mercy to mankind

He spread the word of the almighty

Told mankind to fear god and give charity

What possibly could be greater

Than ridin buraaq to meet his creator

Our beloved went with jibrael to the heavens above

To meet the almighty for whom he has the utmost love

Leading the prophets n thousands of angels in salah

On the day of judgement he wil ask for the forgiveness of his ummah

On his beautiful birth the idols in the kabah fell on their faces

Later on in life he spread the word of his creator to al sorts of races

On the day of judgement our blessed rasool wil be standin before us and the  
almighty will ask wether we know him or not

Those of us who r blinded frm the truth & luvd this life mre dan the hereafter  
wil answer negitavely n wil surely rot

He continued to spread the message of islam even through suffering & pain

Lucky is he who wil drink from the blessed prophet\'s fountain

The almighty made our rasool an opener & seal

In time of need to him & his lord we appeal

He is the only prophet to be given the seven verses of surat-ul-fatihah

He showed us how to live with his perfect example and the shariah
