

## if only

Saturday, 06 March 2010

“If only.....

If I had another life to live  
Another grave to lie  
I'd wake up as a brave child  
And divinely die

If I had another drop of blood  
That could fall on the ground  
I'd choose the land of valor  
And color its dawn  
O...Palestine.”

Tehrika, 16.
