Allah Ta'ala Knows?

by Servant of Allah (swt)!!!

When you are tired & discouraged from unsuccessful efforts, Allah knows how hard you have tried.

When you've cried so long & your heart is in suffering, Allah has counted your tears.

When you're lonely & you're friends are too busy even for a phone call, Allah is by your side.

When you think you have tried everything & are not sure where to turn, Allah has a solution.

When nothing makes sense & you are confused or frustrated, Allah has the answer.

If you feel that your life is on hold, Allah is waiting for you.

If suddenly your outlook is brighter & you find traces of hope, Allah has whispered to you.

When things are going well & you have much to be thankful for, Allah has blessed you.

When something joyful has happened & you are filled with awe, Allah has smiled upon you.

When you have a purpose to fulfill & a dream to follow, Allah has opened your eyes & called you by name.

Remember that whatever you are facing, Allah knows.
